“ Dr. Minnis, Bryant and family, My deepest sympathy on the loss of Mrs. Minnis. Ethel was such a wonderful person, inside and out. She was so supportive of Bryant and me when Bryant was in orchestra class at Wheeler. The first time I met her, I thought she was about the kindest, classiest lady I had ever met.

“ *I met Doris when I moved into the Glenview two years ago. We chatted often when we waited for the elevator or saw one another in the corridors. I remember particularly her concern for her neighborhood. She felt that the city was not doing enough to help her and her neighbors to keep the area looking neat and clean. I encouraged her to keep contacting the city services and rejoiced with her when she succeeded in her efforts. I was sorry to read of her death, sorry for her family in view of their loss, but not sorry for dear Doris who, I am sure is resting in the arms of her Heavenly Father.*
