“ Mrs. Howard was one of the sweetest women I knew, going back to my kindergarten/1st grade years as a friend of Angie. I loved going thru Bacons at Bashford Manor Mall just to say a quick hello to her. She always had a pleasant smile on her face with a warm hello. I must say that there is a party going on up there because they have a sweet one that's just entered. I will say that Mrs. Howard always had angel wings, but it is now that she gets to proudly wear them and soar!! Blessings to the entire Howard family, stay strong together.
