Dear Mama, we so loved you and will miss you so very very much. But I know as our hearts ache, the good Lord will be here for us to lessen the pain as we continue to remain a tight knit family, going this journey together as a whole. And we will continue to lean on one another for support to get through it all. You said you were tired. And as hard as it was to have to let you go, we know that God knows what's best and we know that you are now in a much better place, for you've earned your wings. Get your rest for now my love, until we meet again, we love you dear Mama.

*With everlasting love,
Sherl, Elease, Tawanda, Robert & family.*

“ My Aunt Doris was a sweetheart. She had a gentle and caring spirit. I have a lot of wonderful memories of good times that we shared. I pray that our memories will comfort her husband, daughters, sisters and grandchildren. She will be missed and may she Rest In Peace. God's Speed, Martha (Marty) DuBois
