“ Mrs. Dorothy Dowe was a beloved member of Kyanna Black Nurses' Association, and she befriended me as a new nurse in Louisville. I loved her slow and thoughtful speaking manner, and how she loved her family and community. I will always remember her smile. My condolences to her family and other friends.

Aunt dot, a term of endearment for me was truly a kind human being. So so thoughtful making one feel truly special, “me.” I knew without a doubt I was richly loved by her. Fly on, fly on! Your contributions to community and your compassion and passion in the things you cared so much about shined through. Condolences to the family. Lisa
