“ Vonnie I am so sorry for the lost of your grandmother. I know how you are feeling, I lost my granny not even a year yet and my heart still aches. Granny's are so special and have alot of wisdom to give us...just keep her memories with you and her laughter with you and it will help with the grieving. It want be easy but God will help you and your family through this time. I am still going through but I know she is in a better place. Miss her cry for her and continue to love and celebrate her.....this is from your co-worker Monica Abell
