“ To John, and sons, I offer you my heartfelt condolences. Dorothy and I have many years of experience together. We shared a lot of personal conversations. It seems like yesterday that I saw her last. And like always it was good seeing her. A strong woman, wife, mother, daughter and friend. She will be forever missed, but never forgotten.

“ I had the great pleasure of meeting Dorothy and John when I first got into the bowling business. That was in 1981 and I have considered them friends ever since. She was one of the most sweetest individual you could meet. She will be missed greatly. The very best to the family.
