“ So sorry to read about Dorothy's passing today. Dorothy was a very special person and a beautiful and kind co-worker! Dorothy's sense of humor could bring levity to situations when it was needed most. I hadn't seen her in years and ran into her several years ago -- and in seconds, she had me laughing. My deepest condolences to her family and friends on your loss of your mother and grandmother. I am keeping you and Dorothy in my thoughts.

“ *My condolences in the passing of our Beloved Mama Ray. My thoughts and prayers are with the Warfield family. Mama Ray was near and dear to me and I will always remember her encouraging and uplifting conversations. She was a beautiful person with a beautiful personality and awesome sense of humor. I'm grateful for the time God allowed me to be in her presence. Thank you to the family for sharing her with me. She will be missed, and I will honor her through the way I live and how she would want me to live. God be with the Warfield Family and her Mr. Roger, her Hero. Love, Bertha Johnson*
