“ *To the Daniels Family, Our heart felt condolences for the loss of your father. Pastor Daniels meant so much to our family. We have so many wonderful memories of the time we spent worshiping at West Chestnut. He was a great leader, pastor and teacher. He will always be remembered as a faithful servant of God. “ Dear Daniels Family, On behalf of myself, my wife Michelle and the Bates Memorial family, we offer you our deepest condolences in the passing of Dr C Mackey Daniels. Dr Daniels was not only a pastor, preacher and teacher, but he was also a fearless freedom fighter and advocate for the downtrodden, disenfranchised and oppressed. His selfless service, tireless efforts and resounding voice blessed West Chestnut and stirred the city, state and country. He is missed. But his voice continues to echo through the corridors of history and still a meaningful place in our hearts and minds. We who follow in his footsteps seem tall but we are not. We only look tall because we stand on the shoulders of giants like him. We weep but not as those who have no hope. Dr Daniels has pierced the thin veil that separates time from eternity and disappeared into the mist of the Jordan to meet the Master on the other side. He is gone but not lost. As for the family members who remain remember in the days ahead, when it gets dark, the darkness is not the shadow of Gods absence but rather the shadow of his arm as he pulls you close to his chest. Weeping may endure for the night but joy comes in the morning. Dr F. Bruce & L. Michelle Williams Bates Memorial Baptist Church
