“ *There is a hollow space in my heart. I will forever be grateful to you for being a giver of life and the non-judgmental attitude you had. I am so glad that you suffering has ended. Go be with god, be free, be at peace. I know that I will see you again (hopefully no time soon). Love forever, Naquata*

“ *I am so sorry I didn;t find out about Duwain's passing until today. I would have been there to pay my respects to the family. Duwain a was cherished friend. Sweet, and always ready to help you. He loved his mother and his family. You have to respect a man like that. He was kind to me and my family. I loved him for that- and I'll miss him for those same reasons. His family shall remain in my prayers.*
