“ *Bro. Fleming was an integral part of my family's life for the past 20 plus years. While I did not have the full opportunity to get to know him living out of state, the Fleming's were always a part of conversation with my dear departed grandmother and mother. He demonstrated true gospel leadership but with humor and love. I know he will be missed not only by his immediate family, but the church family and those who came in contact with him. Rest in Heaven Bro. Fleming.*
