“ Mrs. Campbell will always hold a special place not only my heart but my family's as well. I first met her when I was a tarc driver. she would ride with me everywhere! it would make me feel so good inside just to see her smile in to know that I was making her day. at the time my dad was a bus driver to, and like everybody does she took right to him! Two peas in a pod! and my mother was our supervisor so she pretty much knew us all! She was definitely an angel to me here and I know she is having a ball in heaven! We love you Mrs. Campbell. May you rest in peace.
