“ *Shawn and family, there is no greater blessing in this world than a loving, caring, faithful mother, as was yours. When I saw her picture among the others, I knew that beautiful lady had to be your mom. The treasures of her life, her wisdom and guidance, her patience and tenderness, and her labors of love in raising you, keep them alive by speaking of her often to you kids, that they may ever cherish their wonderful heritage. Your mom lived a good, long life. She was blessed of God. And now she is even more alive with Him, who so loved her, that He gave His only Son to save her (and you, too, Shawn). Let your mom's last instruction be her best, seek the Lord while He may be found, so you, too, can enter into His rest. God bless you and your family, Shawn, as He so blessed you with your lovely mom.*
