“ *Sis Fountain was such a warm, friendly, caring lady. She and Sis Alberta would take me out visiting the sick. My husband and I had her out at our house for dinner and she brought me two antique hair pin holders that I used until I visited her at Signature where I returned them to her and had a visit with loving memories of her. May God continue to bless all the lives she touched during her journey here. Love, Sis Donald Foree.*

“ *Mother Fountain was a blessing to Greater Bethel Temple down through the 62 years that I have been a member. She was my Sunday School Teacher and a Spirit filled example of what a praying, Godly woman should be. Such a blessing with her always beautiful smile, she will be greatly missed but always loved.*

“ *Mother Elnora is my mother in law. I called her Momma Fountain. One of my fondest memories of her is whenever I spoke with her on the phone she would acknowledge God and praise and pray in her prayer language. Yes, she spoke in tongues. The Bible says when you pray in tongues you talk with God immediately. Momma Fountain knew how to speed dial and have conversations with Jesus Christ the son of the living God. Sleep on Momma Elnora Fountain. Take your rest child of God. We all love you but God loves you best. Thank you for praying with me. I love you and it want be long until we meet again.
