You all loved and supported your mother like I have never seen before and it was absolutely beautiful and heartwarming to see your passion for her. “ How sad to hear of your Mom's passing. She raised a wonderful, caring family, and it was very heart warming to witness your devotion to her. We feel honored to have met your family and thank you all for all you did for our family! Our two Moms are together in heaven, your Mom talking to our Mom and our Mom able to hear every thing she is saying. What a joy! Looking forward to seeing you all the next time we are in Louisville, and offer you our deepest sympathy! Love to all of you.
