“ *OMG - I've called Emma's home and cell phone several times this week and decided today to look for her, and DeCora, online. I feel terrible that I have no contact info for any other family member. Prayers for Emma's Soul and for Strength & Peace for each of you. I'm so sorry that we didn't know. Nita & LaVon Lesesne & Family.*

“ *Emma was such a wonderful person. If I ever had any health issues--particularly when our daughter was an infant, Emma helped me out. Emma was a godsend. I couldn't have made it through much of my life without her. I'm so grateful to have known and loved her. Karen Cooper Cornett*

“ I had the pleasure of working with Emma the entire time she was at Philip Morris USA. We were both working in the Medical Dept (I was not a nurse like she). We had some good and funny times. I enjoyed hearing her talk about her family...you could tell she loved everyone dearly. My deepest sympathies to her family and friends.
