“ I worked with Emma in Labor and Delivery at BHE for many years. She was beloved by all. She had a kind and gentle heart and was a joy to work with. She took care of all us nurses and doctors. She will be missed. Hold on tight to your precious memories and may God bless and comfort you all.

“ On behalf of the entire Gresham Family I would like to express our deepest and most heart felt condolences to the family Emma Lee Jackson affectionately known to those whom loved her so dearly as "Em". May God abundantly rest his blessings upon each of you. I have also been praying for strength and courage for each of you during this most difficult time. The loss of a loved one is never easy. When a family suffers from the loss of two loved ones within a month the difficulty to cope can be more than overwhelming for bearing. Just continue with keeping your trust in God that he will see each of you through these monumental times in your lives. We enjoyed the times that we were able to visit with Emma when she visited her family in Oklahoma. Our mother absolutely loved her "Em". She would always laugh and tell people that when Mary's sisters come to visit she have to give her baby Em the first kiss.

Love and Blessings,

Anita Gresham
