“ *Emma: A true friend indeed. I will miss you. Yes, you were an encourager. Those times when I did not want to attend your holiday picnics, you made me get up and go, and I am glad for it. You would tell me-you are family. One thing for certain, I could always talk to you no matter how perplexing the problem and in the end I would have to walk away laughing. Indeed, you were "mom" to me. Thanks for being a friend. Although this is a "road" that we all must take, parting is not for long. So I say good night for now, I'll see you some glad morning.
