*I just found out Ericka passed while visiting my nephew at Green Meadows . We were neighbors when Bobby was like 3 years old. She was very nice and good with her children. I don't know why, but I feel better knowing my nephew is buried closed to someone I knew and liked. RIP Ms. Alexander*

“ I had only been around Ericka a few times working at Park DuValle, but each and every time, she was always so kind and supportive. She always seemed happy to help in any way she could. She was definitely an angel on Earth and now is one in heaven!

“ I really didn't know Ericka. We were neighbors for awhile. I heard this unfortunate news and felt that I had to reach out. You were a loving mother to your children. I know this because our children became close friends. My family- Joseph, Jady, Marcus and myself will have your family in our prayers. You will be forever in your family's hearts and will be greatly missed.
