“ It's sad for all of us here on Earth to know we can't talk, see, or touch you anymore Erika. But we cant be selfish, we know that God had better plans and we know you are no longer suffering! You are one of the strongest women I had the pleasure of knowing. We all will miss that beautiful smile. I pray that God will ease the family and friends pain and heartache, especially these next few days! We love you Erika, and miss you so dearly! Fly High with your beautiful Angel Wings!
