“ To the family of Tina Wales, A light in this world has certainly gone out! Tina was such a light! Choosing to do the right things as she made her Journey. I bowled with her for many years and she became my friend and confidant. My heart is heavy so I know those of you who loved her for longer than I, are feeling this also. But Tina Knew the Lord! She allowed his word and good common sense to guide her along her journey. She will be missed dearly, but One day there will be a trumpet sounding like none anyone has heard before. And she will heed its call hurrying to the gathering place...and the reunion will begin. For all who have accepted Christ as savior will gather and the rejoicing will be great. I believe Tina will be in that number, and it is now up to us to live in a just way so that we can be in that number also. My prayers will be with you as you continue along your path. Praying for your blessing in health and coming into a knowledge of Jesus as Lord and Savior. May God bless and keep you. David Dean and Misinaction bowling team.

SG

“ My deepest sympathy and condolences in the loss of Ernestine. She had not only been a patient I cared for but we became friends, while she was a patient of ours until we closed and retired in 1998. Ernestine was a true friend, beautiful inside and out, and truly a first-class lady in every respect. We had kept in contact after our office closed, always picking up right where we had left off, even though some time passed between those calls. I will always miss and treasure our friendship and feel so honored to have had known her. To her Sister, please know Ernestine loved you so very much.
