“ Her warmth, intellect, ability to understand your condition and willingness to engage made going out of your way to say hello worth any effort. The beauty of her smile would ease your day. I was blessed having known Mrs. Ethel Gene Eaves Minnis and for that I will always be grateful. The loss of any member of a family or group cannot be measured. However, just knowing the JOY she gave others does remain and I hope brings some comfort. Our prayers and thoughts are with the family,

“ *May Memories of Ethel Minnis Comfort Us Our heartfelt sympathy goes out to the family and all relatives of our dear friend Ethel Minnis. Ethel was a committed wife, mother and educator in her community. She was a person that valued and embraced education as one can see in her children and the countless number of children she touched as a teacher. For those that truly knew Ethel, know that she was endowed with gentle character and patience. The Yoruba people in Nigeria, West Africa, refer to this attribute as “Iwá Pele.” Ethel's character did not focus on the mundane levels of material attainment that causes major issues and problems within. Ethel's gentle character is perhaps the most important example and attribute that she has left for us to learn from and commit to our memory. Ethel also liked to dance. We would occasionally join Ethel and Bernard at Jerry Green's where Ethel enjoyed being on the dance floor. We were planning to hit the dance floor once again before the summer ended. This we will always remember. One who has lived never truly dies, but crosses a bridge into an eternal life as an ancestor. May it ease our sadness a bit to know that the memories of Ethel Minnis will be yet another bridge between our world and the world of our ancestors. Although we are unable to be here in person, we are here in spirit. We truly believe that Ethel is now home free to dance on the majestic floors of heaven. My family, and I pray for a peaceful and enlightening transition of Ethel's spirit during her Homegoing. May the great spirit receive her with open arms. Peace and blessing,*
