“ I met Eugene at the lowest point in my life. Without knowing anything about me but our mutual passion for creating art, Eugene engaged me in a healing conversation and immediately became a friend. Eugene was one of those few unforgettable people's you meet in the course of a lifetime. Eugene and I spent very few days together but his presence and influence on my life will always be with me. He was a great artist, but that was only a small part of what he meant to me. The world was a better place because of Eugene Thomas. I'll miss my friend.

“ *The LORD is Eugene's Shepherd. Eugene shall not want. The LORD maketh Eugene to lie down in green pastures; The LORD led Eugene beside the still waters. The LORD restored Eugene's soul; The LORD led Eugene in the paths of righteousness for His name's sake. Yea, though Eugene walked through the valley of the shadow of death, Eugene feared no evil, for The LORD was with Eugene, The LORD's Rod and The LORD's Staff they comforted Eugene. The Lord prepared a table before Eugene in the presence of Eugene's enemies, The LORD anointed Eugene's head with oil, Eugene's cup runneth over. Surely goodness and mercy followed Eugene all the days of his life, and now, Eugene dwells in the house of The LORD forever. Psalm 23: 1-6 This is God's Love to Eugene and all his family and friends. May the peace of God be with you all.*

“ We are deeply saddened about the passing of our friend and neighbor Eugene Thomas. He was such a great person and a great artist. We will forever remember the last time we were together during the Annual June Art Show at the home of Eugene Thomas & C J Fletcher. One who has lived never truly dies, but crosses a bridge into an eternal life as an ancestor. May it ease our sadness a bit to know that the memories of Eugene Thomas will be yet another bridge between our world and the world of our ancestors. May he rest in peace. May his ancestors receive him with open arms. Farewell friend.

“ CJ and family I am very sorry to hear of Eugene's passing. Back in the early 80's we lived in the same building on 26th & Chestnut; me and my kids on the 1st floor; he lived on the second floor. He was a great friend and neighbor. We had some fun times. Years later I invited him to speak to the Arts Cluster at Black Achievers. He bought some of his autographed prints and gave them to the Achievers. I still have the one he gave my daughter. He will surely be missed.
