“ Message from Virgil Mathis Jr in Chicago - I just learned about the passing of my Aunt Lether Pasley All of our Relatives in Chicago remember Lether and what a great person she was in a time of need and where she would always come to Chicago when family members pass away and some times come to Chicago for the Good times ,just to Visit and to bring good cheer and some kind words from the Holy Bible.I will not be able to come to the Funeral like I would like to because of the Challenge of time and preparation in a short span of time Any how I hope for the Best for all of our Family Members In Louisville Ky May God Bless Every-one sincerely Virgil Mathis Jr Betti Coleman, Rowena, Angie, and a few more from Chicago

“ To our dearest classmate Frances we ask that you receive a blanket of warmth from God due to your devotion for your Mother. It is human for us to feel that there is no life without them but it is God's faith to have the mindset to know that everything will be ok. We just wanted to let you know that you and the family are in our prayers.Reunion Committee of the Male High Class of "76"
