“ I would like to give my condolences to all the family members. Mrs. Lockhart was my 1st grade & my favorite teacher. She was the perfect teacher that loved her students. I always wonder where was my 1st grade teacher. She is with the good lord, where she do not have any more worries. GOD bless the family.

“ Henry, Joyce, Bryan, and Family,
Please accept my sincerest condolences on the passing of Evelyn. She the first teacher to welcome me when I began teaching at Prospect School in 1976. She was warm, kind, generous, had a great sense of humor, and made a difficult job look easy. She will always have a place in my heart.
Most sincerely,
