“ Momma, I will always Love You!!! This is not easy on the family, but you know we will be alright. One thing you've taught us is, how important "family" is. We always got each other for support. We will honor your memory by continuing to do all our fun & crazy family functions. So, enjoy watching us, & laughing at us from a distance. Rest easy & lovingly, Momma.

“ Dear Family, we here in Colorado, Robert, Rosa and Randall are prying for and with you. Fran/Billie meant the world to us. So glad we vote to see her in January when we were there for Rosa's brother homegoing. That beautiful Smile she always had when we entered the room will be in our memory forever. You all have been the caregivers for her and we are proud of You and it does get easier.
