“ I went to St Anthony school with Steve and Juliana and to Good Shepherd with Mrs Cummings. I thought the world of her and miss her sitting in the choir. Prayers to all the family.

“ Frances and I worked together at the JCPS Volunteer Talent Center during the early 1990's. Under Connie Cameron, we participated in several programs and really had wonderful experiences together. Frances was a lovely person: beautiful, witty, full of life and a delight to know. I am so sorry to hear of her passing. My thoughts and prayers are with the family. I cannot attend her viewing, but wanted you to know how much I appreciated her friendship. God bless!

“ I remember Frances from my days at St. Anthony's when I was organist and she was a choir member. May she be in the arms of Our Savior.
