“ *My Father is greatly missed, I loved to see his smile, the way he shook his head and his words of wisdom. The way he would look at me and just smile, even though he was a man of few words, but to hear his voice just one more time, to hear him singing just one more time, to hear him laugh just one more time, to hear his steerness, just one more time, the way he looked at me and smiled knowing God had called his name. He told me he always be with me, and when I see me I see him.*

Falesha Price - June 13, 2018 at 02:36 PM

“ *Daddy I miss you so much. I can't hardly think about the reality that you are earthly gone and Heavenly bound. I know you are with me in spirit. I love you and I'll never stop. I remember what you told me.*
