“ Dan & Denise,We have so many fond memories to cherish of Aunt Frankie to keep us smiling for a lifetime! Shopping at Sears, her famous pose of standing with her hand on her hip and giving you that look, those dangling earrings, remember the three of us running from Boo? I will always remember her big smile and her laughter. I know it won't be the same without her on this side but she will still be with us (spiritually). We'll see her again. I'm here for you and praying for and with you always.Mary and Family
