“ *My condolences to the Robinson family. I worked with Freddy for the last 7 1/2 years and we became good friends. He really helped me keep my head straight after having heart surgery and he was always so fun to be around. He always greeted me with "My man" and it always made me smile. Freddy. You will be sorely missed. Your friendship meant the world to me.*

“ *Freddie Rob and I go back over 50 years as young men in our teens. We have so many memories that we shared. He always showed his love for his friends by greeting you with a big smile and a hug. The thing I will remember most is his favorite response to one asking how he was doing. He would say, "I ain't making no noise." Those words I will carry with me for the rest of my life. I would be remiss not to mention the love he had for his lovely wife Faye and their children. Lastly, Freddie was an avid Louisville Cardinals fan. Fly high my brother. I know your wings are as sharp as the swag you represented on Earth 🌍. Love you my brother, Lil Mac.*
