“ Gary was one of the kindest, gentlest souls I know. His smile was always at the ready. I miss seeing and talking to him at work. Sharing a quick laugh. Talking about Ziggy (our office Ficus tree) and how he would adopt him if he had to move. :)

To the Dunbar family, please accept my sincerest condolences for your loss. Know that he was very loved and appreciated at Humana. So many, many of our associates miss him.
