“ Regina and Patricia, I am so sorry to hear about Gary. I was unaware that he had passed away until my co-worker told me. He was a ray of sunshine and you could not help but smile and be happy when he was around. I am very sorry for your loss, but know he will forever shine.

Respectfully,

“ Regina I am so sad to hear of the loss of your brother. You were such a caring, loving sister to him. You took such wonderful care of him and I am so proud of you for that. Remember all the good times you had with him and when he made you laugh.

“ Gary was a wonderful person. I worked with him at Active Day. I always wanted him in my group. His hugs and dancing are still in my memory. He was so well taken care of by his family.
