“ *I know we are not blood but I consider Gary and Kenneth my big brothers. I have known them since I was in elementary school. They are the ones who started me with karate, I always looked up to them. Gary I love you, but I'm so confused just wish I could have been there for you. Kenneth and the rest of the family stay strong, I love y'all and will to continue my prayers for the whole family. Kenneth God bless you see you soon as I can love always your little brother Randy!*
