“ Geneva Firman was very special to all of us at Myers Middle School. As the orchestra Teacher I saw her every day. There was always a smile on her face, she took the time to ask how I was , and was always helpful to me in any way she could without ever a hesitation. Her Christian Spirit was evident in her daily manner as always humble, kind and caring. I am so sorry to hear of her death and wish the family to know she was certainly cared for by all of us in the school.

“ I'm so sorry to hear of the passing of Mrs. Geneva. I worked with her at Myers Middle for many years. She was the absolute joy of the day for me. We usually sat and talked everyday. She was such a kind and caring individual and always was so proud of her family. I will always remember her sense of humor and the great talks we had. God surely got an angel.
