“ She was an amazing woman! She knew how to make life worthwhile: service to community, spreading joy and laughter and doing just what she wanted to, in her own way! I knew her up close and personal, as her tenant for 13 years. She helped make those 13 years a joyous journey. She modeled a strong work ethic, class in dress and housekeeping, along with a common sense approach to taking care of business. Knowing her was gift that I will always cherish. Light up heaven Ms. Jones!

What an honor to know this beautiful person. She was instrumental in helping me obtain a position with the Jefferson County Child Support office, and I was also fortunate enough to work with her as an usher at Cane Run Missionary Baptist Ch. We even stayed in touch for years after I left the church. I am praying for her family and close love ones.
