“ George and Regina I am so sorry for your loss! You all did so much for him and were instrumental in his care at Wesley Manor. The times I watched you guys help feed him or just talking with with him I could see the Love each of you had for one another. I remember the beautiful smile George had during your visits. He was a special man! My mom Donna WARREN was in West Hall with your father. You guys were always so kind to her and my family. We all really loved your dad! He was a kind soul. I hope you guys can find peace in his passing. My families thoughts and prayers are with you all.
