“ Antoine, Antoinette, Adrian and Andréa...I am so very sorry for the loss of your father. He was a very sweet man to me the times I came over to the house. It was very evident that he loved his family. Ever since I heard of his passing, I have been keeping you all in my prayers. I know this hits differently because this is the last parent that God called home. Your parents spirits are reunited. Find peace in knowing that. Please know that God our Father never makes a mistake and He has left people here for y'all to go to for guidance or words of wisdom. As y'all prepare for today and Monday, just know that The Comforter is with you all. My prayers will continue long after this weekend is over. I love you all!! Anissa sends her love to her Godmother Andréa and to Ms. Antoinette.

“ George was a Elementary School classmate at Spring Hill in Jeffersonville. First Trinity will miss George. He always made sure that the women at church received something from the men. He always had a joke or two to tell and knew someone wherever he went. Betty and Jeffery Caldwell

“ *The Griffin & Martin family has lost a pillar of our family community in my cousin George.*

*No one could tell a story (I mean milk a story) like George. While telling his story, he would stop to look at you to see if you are hanging on his every word. And I was.*

*He will be missed! But, he is with his Brenda. And he leaves a rich legacy in his children. My sympathy to the immediate family.*
