“ Exceptional math teacher that displayed so much confidence in you that made you believe "you can do it". I thank God for placing me in his 6th grade math class and allowing him to redirect this sub-performer into an achiever! As I look back over my career in accounting and finance, I know it wouldn't have been attainable to me if it wasn't for Mr. Walker...his skill, concern and encouragement. Rest in peace knowing you will never be forgotten. Prayers for the Walker family and thank you for sharing him with so many of us.
