“ *Been listening to the Weeknd's music pretty much every day since I heard the news. You were the first person to put me on the Weeknd. You love his music lol.. Still can't fathom that you really passed. I keep playing visions back in my head of Miami and I just can't accept this. Really sorry. Back in August we discussed what we would want when our time came because that's life and we all die. I specifically remember us both saying we would want people to celebrate our lives and not be sad and crying. I remember that! Well I'm sorry I tried but that ain't working. I'm Hurt.... Your spirit and many great memories we have together will always live on with me Mina. That's my word. ILY ;-(!!!!!*

“ *I didn't know you as long as some, but being your roommate at CT changed my life. Probably the best summer of my life. lol Then you swooped in from Miami and saved my life by subleasing my apartment. I'm going to miss dropping by between classes with all the intentions of doing hw only to lay in bed and talk to you. You were a big sister to me and Tevin and Erica. You were real. I love you Mina.*

“ *Germina, I still can't believe you're gone. I hope your family finds comfort that you're in Heaven. You had a profound affect on everyone you met. We all have stories about your laugh, your smile, just your infectious happiness. Everything you did, you did passionately. I was so excited for you to come visit this summer. Typing this just doesn't seem real to me. I can't imagine what your family is going through. I'm praying for them, everyday. You are so missed. You are so loved. Can't wait to see your beautiful smile again. You've made us all remember the fragility of life, the brevity. I love you so much!!!!*

“ *As i look at your beautiful picture a 1000 words come to my mouth but one thing I know for sure that you are absent from the body but present with the Lord. For Gina...Baby hold on earth has no type of sorrow that heaven can't heal remember and plant in your heart that he was bruised for your transgressions crushed for your iniquities the chastiment of your peace was upon him and with his stripes you are healed. It is okay to cry because baby that is whaty ou will do know that you crying is not in vain God hears all and knows all even your tears have words and know that the bible says he sent his words to heal them. Like family to us we are going to continue to pray for you not just now but in the days weeks months and years to come because the fervent prayers of the righteous availeths much. Love always and forever*
