“ Gerri and I go way back to Samuel C. Taylor Elementary School. I am so honored to have known her, and I will miss our communication on FB. I'm going to miss her, but I am so grateful to God the last time I saw her, we screamed, laughed and hugged each other. And then we did it again as it had been a couple of decades since the last time that we saw each other. Gerri! Gerri! Gerri!
