“ *Aunt Gladys, from the first time I met you I knew we had a connection. You and I stood strong on our beliefs on so many issues. I knew I could not call you after a certain hour because you were preparing for bed. I also will cherish our conversations on family issues to world issues and finally relationship issues. WE got it and understood what was required of our convictions . While I did not reach out to you as much as I should, our conversations did resonate within me. Aunt Gladys, please RIP and tell your sis (Mamie)-HOLLA!*
