“ I met you at a very crucial point of my development as a man and you served an integral role in helping me to understand my place in the world. There were 40 faces that looked like me in high school, you were number 41. We spent many hours talking about things that had nothing to do with school and in those moments, your brilliant light was never more evident. Thank you for everything. When I see you again, we'll play that round of golf. Say hello to my father for me, please. Godspeed.

“ Mr. Ferman, You were so instrumental, in so many ways assisting the African American young men at Trinity High School. I was one of many who can witness to your kind and encouraging manner. I also had the privilege and honor of working with you at BrookLawn. You will never know how much influence you had in turning boys to REAL men. Thanks so much for all you did.

“ To the Ferman Family: We had many lovely/fun times growing up in Third Christian Church (Disciples of Christ) now known as Third Central United Christian Church. I have many fond memories of "Stevie" in church..... Our parents knew the strength of staying close to the Lord and doing his work..... Stevie was a great mentor to many as well as a teacher....he had great charisma and love for all with whom he came in contact with.... The Lord will continue to keep his loving arms around the family.....Rest in Peace my Friend.....Much Love to the Family...Ritta Ridley "Toby" Abell, PH.D. & Family
