“ I was blessed to know Grego and the whole Scott family from my childhood. Grego was a very caring soul. I got to catch up with him and several other good friends at the 1st Jewel & Shawnee Park Celebration several years ago.

My mind frequently recalls so many of my good childhood memories. I thank God for allowing me to grow up in the west-end of Louisville and having such tremendous friends.

I pray God shows his peace and comfort to you during the days ahead.
