“ *My sincere condolences to the Kellam family. Its been many years since I had seen Greg, but I got to see him at his mother's funeral. My heart goes out to his immediate family and many friends. Its a void that will never be replaced. However; when you know Jesus, you know this is not our home. I love you Cousin Greg. May your soul rest in peace.*

“ I worked with Greg for many, many years and have always admired him. Greg was 'the man' at the bureau, as well as the best dressed! Everyone loved him. He was always being asked for help as soon as he entered a room. I have so many good memories of him and will miss his smiling face. I'm so sorry to hear of his passing. Prayers for all the family are being sent. Rest peacefully Greg.

“ *As a former employee, of the same employer, as "Greg" (2/2023 - 12/2024) I was blessed to work, with him, as he represented I.T., where I worked, until 12/28/2024.*

Please, remember the man remains part of his family - by DNA, & memories.

Greg is a veteran; I am a veteran, too. Rest, in perpetuated memories, Greg.

“ It’s difficult to put into words the impact Greg had on my life. He was like a second father to me—filling in the spaces where my own father could not. Greg was a kind and gentle man, and every time he welcomed me into his home, I was met with warmth, a table full of food, and unconditional love. His smile was infectious, and his cooking was even more unforgettable. It’s impossible to choose one particular memory I cherish most, as every moment spent with him was filled with so much love. He will be deeply missed. I’m sending all my love to the Kellam family during this difficult time.
