“ To the family,I have known Ms. Hattie most of my life but really got to know here when she was my landlord. She was a blessing and inspiration to me during one of the lowest times of my life. One of the greatest pieces of wisdom she imparted to me was to "never let go of God's hand, even when things look bleak." That conversation, and many other conversations with her, have and will continue to guide me. I am honored and humbled to have known such a great person.My prayers are with you during this time of transition.
