“ As a paralegal, I only knew Ms. Hazel over the phone when I called to check on records requests. She was such a wonderfully sweet woman who was always extremely helpful and kind. I was saddened when I heard of her passing, and I can only imagine the heartbreak her family is feeling right now.

“ Hazel, you were one of my best friends and I miss you deeply. You were such a sweet person and you were always there when I needed advice or just wanted someone to talk to. I know that you had a very happy life with your family and that is comforting to know. You were married to your high school sweetheart and had kids that you were very proud of. I think we can take comfort in knowing that you are being well taken care of in God's loving hands and that your spirit will always be with us. You're greatly missed-Hazel-I love you.
