“ Tara, Aaron and Ann

My heartfelt prayers are with you. I recall on one occasion when I had the pleasure of busting their home that Ms Hattie was making dinner. She was cooking baked potatoes. She placed them in the dish water and” I was like, Miss Hattie, what are you doing”? She informed me that potatoes are dirty on the outside and the nutrients are on the skin. She was not about to serve these potatoes without washing them like she was washing a glass! I NEVER forgot that and to this day, I wash my potatoes in the dish water to make sure they are clean! She was a phenomenal person who will be abundantly missed. She opened her home and welcomed me as if I were family. I think in some small measure it was because me and Tara were friends and closely connected. I will forever embed this memory in my heart and mind. RIP my sister and family, stay steadfast with her memories of the time you were blessed with having her on this earth.

Wishing all of you God’s speed and to be well. My thoughts and prayers are with you all.

Love, Stacy Kelly

“ Hettie and I were in high school Choir together and great friends and we sang together as she was an alto and I a soprano! I loved her spirit, her enthusiasm, her smile , and remember her being so wise even though she was young ! I never forget going to Murray to sing and we were roommates and instead of sleeping we laughed most of the night! I will always cherish our friendship and I'm so glad that I finally found you and reconnected last year with many hopes of getting together! I will always love you my friend and I will Look forward to being with you on the other side! Prayers for your family !

“ *Hettie always had a smile and a kind word for everyone. She had a heart as big as all outdoors, and a way to make everyone around her know that she truly cared about them. She had a servant's spirit, and did her part to make the world a better place. She is truly irreplaceable.*

To the family, take comfort in knowing that her struggle is over and she is at rest with the Lord, and watching over all of you. This is not goodbye - - it is "until we meet again."

RIH. You are already missed!
