“ Inez was and has been my friend since we were kids. She was always a sweet, loving, generous, beautiful girl with a great personality, and a great smile. When I heard you left us Inez, I was very sad, and I feel a tremendous loss. I have always cherished our friendship and although we both left Louisville and lived in other places and did not see each other in adult life for many many years, I always thought about you, asked about you and loved you. I will miss you Inez, but I am grateful that you were a part of my life since we were kids. I smile when I think about you selling taffy, giving away blouses, or being upset because you thought you needed your wonderful hair straightened when we were at camp. Inez you blessed me with your friendship and I love you. Rest in Peace. Thank you Ricky for being with Inez and for loving my friend. May God bless you during this time of sadness. I know that Inez's love will get you through this. I will miss my friend.

“ Jimmy Ricky, Inez and I go way back. She was such a sweetie and a cutie too. I can see why you chose her to wear your name. I remember how we used to trade outfits, since we went to different schools, so people would think we had lots of clothes. I thought that wearing inez's clothes would make me look as cute as her. lol) As girls she would let me brush her beautiful long hair on the front porch of her house. I talked with her a few years back and she still had that warm, friendly smile. She was just adorable.So smile on my friendas you transcend into the master's grace Newness of life he givesto those who abide in his place Always marthann stroud po box 11777 louisville, ky 40251
