“ *May God's grace grant you peace and comfort. I remember Coby from when I worked in LINET he was always just so sweet and quiet. He always was just chilling with his headphones on doing his work. I am so sorry for your loss.*

“ *Coby was the only person, when I switched to a new position, that spoke my (sarcastic humor) language! He was a man of few words around the office, but they were usually a humorous few words. He was a joy to know and work with. It's awful to lose such a promising young man from the world, my heart goes out to his family and closest friends who will continue to carry him with them everyday. <3 You may have gone, but you will not be forgotten, Coby.*
