“ It's been 1 year since you entered your heavenly home. Still hurts, to know that we can't see you physically or hear your voice. We all miss you so dearly. But I say continue to rest in thr loving arms of the Master. One of these glad mornings we will meet again. Rest in peace my friend. I love you.

“ It's been 3 months, since you went away. Still feels like yesterday. My heart aches because I miss you terribly. I can't get use to you not being around, my friend my sister, my shoulder to lean on. My human diary, we talked about any and every thing. But you're gone now and I rather you be in the loving arms of God, than to be here suffering. You truly were one of a kind. I miss you my friend.
