“ The Bradley Family,
Everyone's heart who loved Jackie is in a million pieces having to say so long for now for we will all see her again.
There are so many funny memories of her/us as we always looked forward to seeing and spending time with the family doing Thanksgiving Holidays.
She was so loved just the way she was, and she'll always be loved. Absent from the body is to be present with the LORD. We send our heartfelt condolences, sympathies and so much love.
Your NC Family
